

Assistant Professor – Carpentry/Construction Management Technology

Job no: 493004

Work type: Full-time Faculty

Location: Rathdrum

Categories: Trades and Industry

Hiring range: \$39,740 to \$61,597

Work Site Location: Parker Technical Education

This position works 11 months per year with benefits over 12 months.

This special appointment is renewable annually at the discretion of the college.

Job Summary:

This position is responsible for teaching North Idaho College Carpentry and Construction Management technology classes as assigned by the Division Chairperson. The individual in this position will also maintain and be accountable for program equipment, supplies, classroom and shop and class project job sites.

Job Duties:

This list includes but is not limited to the following:

- Teaches a minimum of 15 equivalent credit hours per semester as assigned and maintains additional weekly contractual hours, including a minimum of five office hours, five campus hours and five discretionary hours divided between office and campus hours for a total of 30 hours on campus per week.
- Utilizes non-traditional delivery methods including Internet, IVC, Zoom, and/or Canvas.
- Selects appropriate learning resources for students being mindful of cost for the student, prepares class presentations and handouts for electronic distribution and prepares a syllabus per semester for each course.
- Evaluates student learning outcomes according to description in the syllabus and delivers grades to the registrar on time.
- Receives training and keeps skills current in using the electronic and physical equipment and software necessary to accomplish teaching and advising responsibilities.

- Acts as general contractor on site throughout the students' construction of NIC's annual "Really Big Raffle" house. Advises students using the recommended procedures as outlined in the College Advising Handbook.
- Identifies student-learning outcomes; develops process and tools for assessment; incorporates results in order to modify instruction and materials in general education, degree program, course cluster, and/or certificate program, in coordination with colleagues.
- Participates in student recruitment, curriculum development, and serves on college committees.
- Provides mentorship for adjunct faculty and orients associate faculty as needed.
- Attends and participates in faculty meetings.
- Participates in professional development activities.
- Cultivates effective public relations with various community agencies/service providers and/or educational partners.
- Demonstrates a commitment to the philosophy and mission of a comprehensive community college.
- May teach evenings and/or weekends.

Minimum Qualifications

Education and Experience:

A minimum of eight years full-time equivalent recent experience as a carpenter, foreman or building contractor

OR an Associate's degree in a related post-secondary or professional-technical construction education program and six years full-time equivalent recent experience as carpenter, foreman, building contractor or instructor

OR a Bachelor's degree in a related area, including education, and three years full-time equivalent recent experience as carpenter, foreman, building contractor or instructor.

Required License and/or Certifications:

- Valid Driver's License.
- Hold or be able to obtain Idaho State Vocational teaching certificate
- Current valid building contractor license from any state preferred

Knowledge, Skills, and Abilities:

- Extensive knowledge and expertise in traditional and current residential and commercial construction methods and municipal building codes

- Excellent oral and written English communication skills.
- Ability to use a personal computer and associated peripherals and current version of Microsoft Windows and Microsoft Office, Internet, and alternative delivery systems (e.g., internet and interactive video) at a proficient level.
- Ability to operate standard office equipment including phone, fax, copier

Employment is contingent upon successful completion of background check and proof of degree if required for this position.
